Natalia

Old-fashioned types used to say that a woman belonged in the kitchen, and while there's no denying UK hottie Natalia Forrest looks damn good in there, we can't help thinking it'd be a mighty waste of her, er, talents, expecting her to slave away rustling up meals and stuff when she could be performing other, more enjoyable, domestic duties! "But I love cooking!" protests the girl herself. "It was one of my favourite subjects at school, and now I love nothing more than trying to replicate some of the dishes I see on Masterchef and programmes like that. I think there's nothing nicer than giving the guy in my life a really good meal, because I know he'll repay the honour when we're in the bedroom!" Natalia, we'd gladly more than repay the honour in the bedroom if you just gave is a cold pastie every night for tea!

We've extended quite a few things in Sammy Jayne's direction over the years (well alright, basically it's the same thing over and over again!), but this time perhaps we could extend something else – a warm welcome on her return to the pages of Mayfair! "That's very kind – and it's nice to know I've been appreciated for my efforts over the years. there's nothing that makes me hornier than the thought of turning guys on and making their pricks nice and stiff!" Alright dear, we've already done the extending for today!

Camilla & Tommie Jo

"Girls just want to have fun right? Well, if Camilla Jayne and Tommie Jo want to have some fun stripping off and fucking each other with dildos, so who are we to stop them! "I love solo dildo play but taking a dildo out of my own pussy and sticking it all lubed up straight into another woman really gets me going. I've even stuck one up a guy's arse. The look on face was priceless, but he ended up loving it and coming so hard." Camilla tells us. We're sure if you'd asked our photographer nicely, he would have happily bent over and obliged!

Tifanny

H'Home Counties-based hottie Tiffany James went down a storm when we featured her in Mayfair for the first time, what with her sultry gaze, stupendous boobs and... well, quite possibly the most enticing helping of pink lettuce we've ever seen in our lives (and we've seen plenty of helpings of pink lettuce!). All in all then, she was guaranteed another appearance and here she is! So, what's she been up to since our paths last crossed? "I think it'd be easier to answer the question 'What haven't I been up to?'!" she grins. "Anyone who follows me will know I'm a pretty open minded-sort of girl, and I've been having plenty of fun with guys and gals over the last few months. Who knows, maybe a few of your readers will have seen me in action?" Well, if they have, we're pretty sure it's not something they'll be forgetting in a hurry!

Briony

You guys loved her so much in the last issue that we couldn't help ourselves and plunge her straight back in again. "Wow, that means so much to me and hopefully I'll get to appear again soon, but I'm not going to get all greedy! Let's leave it a couple of issues maybe!" Sounds like a plan to us Briony!

Daisy May

“I don’t think I’m ever going to get bored of appearing in the magazine, it’s such a privilege that you have made me the editor and that your readers seem to love me so much, long may it continue, I hope!” Judging on what we’re looking at we’re on the same page as you because we’re never going to get bored of seeing your exquisite body, especially when you’ve lost all of your clothes!

OLGA

Our august au-pair

PHOTOGRAPHED
BY
DONALD MILNE

Please, what does this word 'well-stacked' mean?

Twenty-year-old Olga Behr from Amsterdam admits that her English isn't very good. 'But I'm in London Dulwich for six month, so I learn, yes?' Already she's learned that having an august 36-26-36 figure proves an imposing sight here in Britain. 'I was drinking in the pube, is it? and I heard two men say I was well-stacked. Please, what does this word well-stacked mean? We have stacks in Holland but in fields and made of straw. But I am not!'

I have a big bottom. Do men like that?

We explained. 'So that is good, yes? And I have a big bottom. Do men like that in Britain too?' Oh good! I have fun then.'

So far, Olga hasn't had much time for fun, because of her au pair work for a family in Dulwich village. 'I look after the children, and they help me with my language. I read them *He-man* books, and stories of Dragons and Dungeons, yes? But I do drink at the *Dulwich Woodhouse* — pints of bitter beer called Special Yooongs, is it?'

So what does Olga think of English men? 'They are so lusty, is that the word? They joke and shout all the time, and when they see me, they hit my bottom with their hands. They say they want to do rude things. Why do Englishmen want to be rude with me? I don't understand. In Amsterdam, all girls are like me.' But not all of them model in *Mayfair*, Olga. 'No, I'm a horny bit of stuff, ya? I heard that in the *Woodhouse*. I learn all the time, yes?' Oh yes, Olga, you're certainly learning.

Why do Englishmen want to be rude with me?

PRP07

Jessica D

So Jessica, welcome to the magazine, it's always nice to see a fresh new face! Now, we can't help but notice you're rather keen to show off your butt cheeks and enticing looking bum hole! Does this mean you're a thumb in kind of girl? "Ha ha, I'll take a thumb or a finger all day long, but it's all about cock really isn't it. Just stick it up there, don't even bother asking for permission. I love it when a guy goes down on me and slips a finger in there. I'm literally going to come in seconds!"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

I have lived next door to Jane for almost a year, and during that time we have become close friends. I was attracted to her vivacious personality from the first, but she is also stunningly beautiful.

I live in a small village where it's best to keep my sexual preference for other women to myself, so I resisted making a move on her until the temptation became too much... to bare.

It was a Saturday and one of the warmest days of the year, and having tidied the house I went upstairs to change into something lighter so I could improve my suntan. I was about to root out something suitable when I glanced through the window and saw Jane lying nude on some cushions and a brightly-coloured throw. Our houses are semi-detached cottages, standing alone on the outskirts of the village with shrubbery around the boundaries, so she was safe from prying eyes. All eyes except mine!

I began to feel all sexed up and tingly as I stared at her beautiful nude body in the next door garden.

I was gobsmacked! Jane had made no effort to hide herself from the view afforded by my upstairs window. In fact it looked as though she had positioned herself right in the centre of her lawn to try to catch my attention.

For a moment I just stood there. Then as though she felt my eyes on her, she looked up and waved to me, beckoning me down to join her.

My heart thumped as I furiously thought about what to do. Jane grinned up at me and waved again, this time more insistently. I felt my body glow with excitement, and, making a snap decision, I quickly slipped a sundress over my head and ran downstairs, outside and through the gate into her back garden.

When I got there she made no effort to cover herself up, and instead embraced me, kissing me on the cheek. I gratefully accepted the ice cold gin and tonic she offered me, and we sat on some sun chairs, as if a stark naked woman and another in only a sundress sitting together was the most natural thing in the world.

I attempted to make conversation but could not concentrate, nor take my eyes from her body while Jane, in her turn, looked me over.

Then she asked me if I was "comfortable" with her nudity, and that broke the spell. I nodded, smiling widely as I looked her over with what I'm sure was an expression of obvious desire.

Jane is a curvy brunette and she was shaved clean, with the exception of a small neatly trimmed landing strip on her pussy. She chattered on unnecessarily, admitting she was an exhibitionist, and could never help showing herself off. Over the past months she had noticed the way I often seemed to be checking her out and she had hoped I felt the same attraction that she did.

Every nerve ending in my body tingled with arousal as I listened to her, then I eagerly pulled my sundress over my head and dropped it on grass. I made my move and this time our lips engage fully, mouth upon mouth. She was passionate, and her lovely narrow and slightly pointy tongue entwined with mine as we kissed. I caressed the sweet soft pillowy flesh of her beautifully-shaped tits as her hands wandered over the tingling skin of my buttocks, then we moved to the throw on the grass.

I rolled her over and slowly began licking her honey-coloured skin. It felt silky and beautiful and as my fingers and tongue roamed over her most intimate areas she responded to my touch. Soon she was breathing deeply on the edge of orgasm, her legs spread wide and her fingers rolling her nipples. She looked so wanton and irresistibly sexy that I could not help but go down on her.

Spreading her beautiful pink pussy lips, I laved them with my tongue, running it between her shiny pink petals from back to front, then lightly flicking it across her clit at the end of each stroke. Her breathing deepened as her juices flowed freely and she began begging me to make her come. I was

alight with excitement, the taste and feel of Jane's sweet pussy almost bringing me to orgasm while I pleasured her.

Raising my head to watch her pussy spasm, I circled her clit with my index finger, teasing it until she began grabbing handfuls of my hair and pleading for the release of climax. Sliding my finger into her clenching pussy I tweaked her little nub and watched as she came on my finger, her pussy muscles tightly gripping it as her orgasm washed over her in several great waves. When her spasms finally weakened, I slid my finger in deeper, shunting it in and out of her pussy harder and faster as I tweaked,twisted and even nipped her clit.

She came with a loud cry, her buttocks bucking on the throw as her first orgasm went on to merge with another. Going back down on her I started licking her slit, sucking her juices until the last throb of her climaxes began to fade. Sliding up her body, I kissed her so she that could taste herself off my lips. Our tits flattened against one another's as we ground our pussies together.

The friction of her pussy against mine made my clit throb delightfully, and I was enjoying my dominant position when Jane rolled me over onto my back and wriggled down between my eagerly spread thighs.

My pussy was throbbing and aching with need as she set about licking me out. Her tongue worked on my clit, tickling and teasing it until I felt sparks of pleasure welling up. Then Jane slid two fingers inside me and began frigging me until I could hold out no longer.

Soon I was coming in her mouth, my hips humping up against her lips as she smiled into my eyes.

After that we moved indoors, and the rest of the weekend was spend in a sexual frenzy. In the last couple of months we've made it a bit of a regular thing. I know that Jane's bi, and we've talked about maybe introducing a guy into our games some time. I'm not sure yet, but Jane can be very convincing when she wants to be!

I have wanted to be a model for as long as I can remember, but as I grew up it became obvious that my 5'4" frame wasn't exactly made for the catwalks of Paris and Milan, so I turned my attention to glamour modelling. After sending photos to numerous publications and getting just as many knockbacks (Page 3, porn mags, lads' mags, you name it!), I realised that getting into the industry wasn't going to be as easy as I first thought.

Eventually, I read on an online forum about some amateur camera clubs that professional models frequented, to top their money up. I figured that if these amateur snappers were good enough for published models, they were good enough for me! After sending off a few emails and photos, it wasn't long before I had my very first booking!

The following Friday, after spending the previous day preparing myself with a Brazilian wax, haircut and spray tan, I turned up to the studios at 8:50am, as requested. I was met at the door by Beth, a girl in her 20s, which surprised me a little. She ushered me inside and into a generously-sized dressing room, asking me if I wanted tea or coffee, and did I want biscuits with that, before rushing off to get me my refreshments, leaving me to do my make-up.

I'd finished my cuppa and just started to blend my foundation, when the door opened and a gorgeous blonde girl walked in, a pink wheelie-bag in tow.

"Hi, I'm Candy," she grinned, "You must be the other model?"

I smiled back and replied, "I guess I am, yes! I'm Leanne." She dumped her case on the floor and opened it, to reveal piles of sexy lingerie and stripper heels. It was a TOWIE wet-dream and I'd never seen anything like it!

"What do you mean, 'I guess'? Is this your first time?" I nodded and continued with my make-up. "Nervous?" she asked. I stopped and looked at her.

"A little," I admitted. She nodded, "I was too, on my first shoot.

Don't worry, though, just follow my lead.

And remember, they're not professional, the photos won't be seen by anyone else and they're paying for your company as much as anything else, so just keep smiling and above all, be nice!" I was glad of the advice and even more so of the offer of outfits – I hadn't even considered needing a costume change!

Candy was very sweet, lending me a couple of bra and knicker sets and two sexy dresses, telling me to chuck them back on top of her case when I'd finished with them. Then, all of a sudden, Beth came to tell us it was time to take centre stage.

I followed Candy out of the dressing room and into the studio – a large spacious room, divided into separate photographic sets; two bedroom sets, complete with fake windows, a basic office set, a lounge setting with a sofa and a basic white set, with strong lighting and a black chair in the middle. There was a group of about 11 guys gathered around the chill-out area, drinking tea and discussing camera models and the merits of digital over film. They stopped as soon as they saw us and trotted over, Beth introduced us as today's models and said she'd be around if we needed her. I was asked if I'd be OK starting with a bedroom set, to which I agreed readily, and was introduced to the photographers who I'd be starting out with.

I turned out to be a natural, even if I do say so myself, my nerves quickly disappeared and as I gradually disrobed, I even found myself flirting, especially with one particular 'tog', Gary. He wasn't quite as old as some of the men – I'd say about 35 – and had a certain twinkle in his eye, that I found really attractive. I tried not to be too obvious about fancying him, but I found myself getting a little turned-on every time he told me

how gorgeous I looked, and by the end of the shoot I have to admit I was somewhat damp in the knicker-department!

When the photography session ended, the guys gradually packed up and left and Candy and I headed into the dressing room to get changed. She was really nice, telling me what a great job I'd done and passing me some professional photographers that she thought would like to shoot me. After Beth had paid us each our fee and she'd got changed, Candy said her goodbyes and left me on my own. I took my time, thinking over the day's events while I got myself together and left the changing room, and headed into the studio area to say goodbye to Beth.

Instead of finding Beth, I was surprised to see that Gary was still here, going through the images on his digital camera.

He smiled when he saw me, "I thought you might like to see what we shot today?" I grinned back and sat down close to him, so our thighs were touching. There was a definite chemistry between us and I was just starting to wonder if something might happen, when Gary leant in towards me and kissed me gently on the lips.

Without hesitation, I kissed him back, pushing my tongue between his lips, exploring his mouth urgently. He took this as a green light and I felt his hand wander down to my ample boobs.

As he played with them, a little bit roughly, I felt suddenly supersexy and wanton, and almost to my surprise, I realised I had unzipped his jeans and started to wank his cock and balls. He moaned and closed his eyes as I rubbed away at his hard dick, loving the feeling of his hands pulling my tits out from my top and sucking at my nipples.

This sent me over the edge and I desperately wanted to taste his big, fat cock, so I did – licking him all over, balls to tip, then using my hands and mouth to suck and rub and engulf his dick. I'd take it right to the back of my throat then, when it felt like he was on the brink, I'd pull it out, squeeze it just under the head, then start all over again, building up to something even more intense. After the fourth time of this little tease, Gary had had enough and told me get ready for a fucking. I wasn't about to argue!

I lay back, legs splayed, playing with my pussy, waiting for Gary to get between them.

But he told me to get on my hands and knees, so he could do me doggy style. I tilted my bum up and back, flaunting my snatch, relishing the shudder of anticipation that went through my body as he got himself ready behind me.

I didn't realise I was holding my breath until I felt his thick meat part my labia lips and slowly enter my juicy, waiting hole. I gasped as he pushed his full length into my aching pussy until it filled me completely, and moaned loudly as he began to pummel away.

I reached down and started frigging my clit, rubbing it to the rhythm of his fucking. And it was giving him a big thrill – he was fucking me hard, maybe a little too fast, but I was getting there now.

I gave another groan of pleasure then asked Gary to stick a finger up my arse, telling him that would really get me coming. He hesitated a little, then moistened it with my juices and slipped it in me down to the knuckle.

I started to climax almost immediately, my pussy muscles clamping tightly around his dick, and when he asked where he should jizz, I just clamped even tighter around him, holding him in me as he shot deep and hot.

We collapsed in a sweaty heap, before cleaning ourselves up and heading in our separate directions. He did ask me for my number, but I'm not interested in a relationship right now. He did, however, make my first shoot a particularly memorable one!
